APR = Annual Percentage Rates. Rates are subject to change at anytime without notice. Example monthly payment = \$17.97 per \$1,000 borrowed for 60 months at 3.00%. Rates are based on term and credit score.

<sup>2</sup>The Home Equity Line of Credit loan promotion can be terminated at any time. The Introductory rate is fixed for one year after the origination date. Once the fixed rate promotional period ends, the Annual Percentage Rate (APR) is variable based on an index and margin. The Index is the highest United States Prime rate as published by The Wall Street Journal (WSJ) on the last business day before the start of each month's billing cycle. As of 12/20/2024, the Prime Rate was 7.50%. The margin and the introductory rate are based on credit. Lowest possible margin is WSJ Prime minus 0.50%. Once promotional trate ends, the APR cannot fall below the minimum of 3.25%, nor exceed a maximum of 18.00%. From the control of the c
